(Project [redacted])

25X1

1. In accordance with our conversation on this matter the following information is supplied regarding four of our employees involved in the Project [redacted] 25X1

OK
Our Office has agreed to provide certain investigative services relating to Project [redacted] an approved project of the Division, for which service \$11,500 has been transferred to our office allotment number 4-7130-30. This money along with other items is to be used for the salary payment of four employees; namely, one investigator, GS-13; one investigator, GS-12; one administrative assistant, GS-7; and one secretary, GS-6.

Approval is requested to process incumbents for these positions as Staff Agents without encumbering T/O slots. It is our wish that the employees involved will actually revert to Staff Employee positions with our office upon completion of this special assignment.
